-JH/HS BAND/CHOIR CURRICULUM IN BRIEF-

Concert Band

The Concert Band is the primary performing organization in the instrumental music department during the winter and spring. Membership is open to previous Cadet Band members, or other students as approved of by Mr. Heithoff. Band class is on Monday's, Wednesday's, and Friday's.

Marching Band

Membership in the marching band requires strenuous physical exercise and the ability to play the difficult literature encountered in the activity. All students enrolled in the band program are required to march. The marching band performs in the fall.

Choir

The Concert Choir is the primary performing ensemble of the vocal side of the music department. Membership is open to any student grades 7-12. Choir class is on Tuesday's and Thursday's.

Private Lessons

As one might expect, private lessons on a musical instrument or voice are the best way to improve performance skills. The one-on-one approach allows the student to benefit from individual attention as opposed to a teacher monitoring a full class. A recent survey of students in the All-State Band revealed that approximately 80 % of the students in the band studied privately. Mr. Heithoff is more than happy to assist any student wishing to take private lessons.

Nebraska All-State Band/Choir (9-12) and Class D All-State Band (9-12),

Freshman through Senior members of the music program are eligible to audition for the Nebraska All-State Band/Choir and Class D All-State Band. Auditions are held at specific times throughout the year. The Class D All-State Band clinic is held in Kearney and the All-State Clinic in Lincoln.

-GRADES-

ATTENDANCE POLICY

Given our class schedule, and the nature of band and choir classes, every absence affects the entire class. For this reason, each band and choir member should make every effort to attend all rehearsals. If a student is absent, the following process will apply:

- **Each student can acquire up to two absences a quarter with no grade deduction.**
- **Once a student has two absences in a quarter, the daily grade will be deducted by 5 points for each absence. Students can request a make-up assignment to earn the 5 points back. Students can request up to 2 make-up assignments per quarter. Students have until 4:00pm on the last full day of the quarter to complete make-up assignments for that quarter. After the quarter is over, students cannot request a make-up assignment for that quarter, but can still request up to 2 a quarter for any remaining quarters.**
- **After the two non-dock absences per quarter, and 2 make-up assignment absences per quarter, all absences will earn a grade of 0 points.**

***SCHOOL SPONSORED ACTIVITIES AND FUNERALS DO NOT COUNT TOWARD THESE ABSENCES. ***

***Students applying for credit appeal must attend all required performances and have a passing grade to automatically earn credit. Students appealing for credit that have missed performances must have a passing grade of a C or above and complete a make-up assignment for each missed performance to earn credit.**

***All home performances are REQUIRED. These include our two home concerts (winter and spring), Veteran's Day, Graduation (choir) and Memorial Day (band).**

- **Excused absences from these events include illness of the performer and death in the family. Excused absences will automatically incur a grade of 70% for the missed performance. Parents should make every effort to contact Mr. Heithoff prior to the performance. Students can request a make-up assignment to get up to a 90% for the missed performance.**
- **Unexcused absences from a home performance include all other reasons besides illness of the performer or death in the family. Unexcused absences will incur an automatic grade of 0% for the performance. Make-Up assignments will be handled on a case-by-case basis. Students must request the make-up assignment, and the assignment can earn a maximum of 70% for the missed performance. Mr. Heithoff reserves the right to refuse a make-up assignment for unexcused absences.**

*** All other away performances are still expected but are considered extra-curricular. As such, missing a non-required away performance will not negatively affect the student's grade. Students that miss an away performance need to make every effort to let the**

director know ahead of time of their absence. Students that miss without informing the director may be asked to refund the school for incurred expenses.

***All performance absences will result in no letter points being awarded for that performance.**

*Individual needs will be addressed as they occur. This system is subject to modification by the director.

For ALL performance absences, the following procedure must be followed by the student and parent:

- Director must be notified in advance if possible, via email or phone call from the parent.
- For school activities, a sign-out sheet must be signed.
- Although cleared by the school office, absences from a music activity that same day must be cleared with the director as well – please call the music room or email Mr. Heithoff.
- Follow-up is the sole responsibility of the student!

-CONFLICTS WITH MUSIC-

Conflicts between band/choir and other activities or events are the responsibility of the student. Rehearsal and performance schedules are given out in advance so that arrangements can be made. When outside activities create hardships concerning music, unless it is a rare and unusual situation that may only happen once, the student will need to consult with the director about alternatives that may be possible. Students should have a **calendar** and be aware of all music dates well ahead of schedule. It is the policy of the band/choir to assist students when conflicts occur within the scope of the music policy. All conflicts regarding performances must be worked out in favor of the student's responsibility to their ensemble. **Work is not an excuse for missing any music performance.**

-GRADING POLICY-

Grades are assigned for the band/choir class and required performances, which are co-curricular.

GRADING PERCENTAGES

Daily Attendance and Participation	40%
Home Concert Attendance	30%
Away Concert Attendance	20%
General Assignments/Playing Tests/Weekly Reviews	10%

Students can earn 10 points per day for daily attendance and participation, and 100 points for performances. Any general assignments (writing assignments, playing/performance tests, theory sheets, practice logs, etc.) will vary in point value.

-DUTIES OF THE ENSEMBLE MEMBER-

- Be on time to all rehearsals and performances. EARLY IS ON TIME – ON TIME IS LATE.
- Upon entering the rehearsal setting, acquire your instrument/music and go directly to your seat.
- When the director asks for your attention, all talking should cease.
- Come to rehearsal with a GOOD ATTITUDE.
- There is no excess playing (i.e., horsing around on the instrument); only good solid material.
- Make a real effort to improve daily and establish a good practice routine.
- At the end of rehearsal, put all materials in their proper place.
- MAINTAIN A STRONG ACADEMIC STANDING IN ALL COURSE WORK!
- Become responsible for and assume responsibility for your own actions. Admit when you are wrong.
- Have a proper respect for yourself and those in authority.
- Read and play/sing music with insight – have musical expectations.

-DISTRICT MUSIC CONTEST-

Music in the state of Nebraska is unique as an NSAA event. It is the largest activity that is hosted by the NSAA yet does not have a State Contest. Therefore, District Music Contest is the equivalent to any form of State contest. Students compete for ratings, with lower scores being desirable.

*** DMC solos can only be performed by students in the 9th grade or above. If EPS has fewer than 24 high school members in either band or choir, junior high will be allowed to participate in small group performances that involve all members of the band/choir.**

***ALL solos and small groups MUST be selected by the end of January. ALL solos and small groups MUST meet with Mr. Heithoff at least once after school prior to February 20th, and twice prior to March 20th, or they will not be entered at District Music Contest!**

***When the number of high school students in Band/Choir is 24 or more, junior high will not attend DMC. When that number is less, junior high will attend. When high school participation drops below 40% of the group and/or less than 10 high school members, that ensemble will not compete at District Music. Depending on the situation, Mr. Heithoff may elect to not take the junior high or high school members that cannot adequately perform the music for district contest. Performance testing may be done to determine DMC eligibility. All members will perform on the home concerts regardless.**

-PERFORMANCE DRESS-

For most performances, band members will wear their band uniforms and choir members will wear choir robes. However, if either group forgoes official concert dress, students are required to dress appropriately. Secondary concert dress will consist of a collared shirt and black or khaki pants/skirt and nice shoes.

Dress shirt and tie are preferred for young men in the performance ensembles. Women can wear a nice blouse. A polo shirt will also work well for either. Any shirt worn should cover the performer completely from collar bone to waist. Short sleeves are fine. Western style formal dress is also acceptable (bolo tie, western style suit, etc.).

Performing members should also wear black/khaki pants or skirt/dress. Nice black jeans are allowed. Skirts/dresses must meet dress code expectations. Black leggings under dresses/skirts are acceptable, especially if the dress/skirt is shorter. **DO NOT WEAR BLUE JEANS OR JEANS/PANTS WITH HOLES.**

Shoes shall consist of black dress shoes for men, and nice heels or black flats for women. Black marching shoes will also work for either ensemble. Nice black cowboy boots are also acceptable, except for during marching season. Heels should not be stiletto type and should be no taller than 1.5 inches. Tall thin heels are a safety issue, especially when moving on risers.

To Letter, High school students must earn a minimum of 15 points and be a member of the ensemble for the entire year. Awards such as the John Philip Sousa Band Award and National School Choral Award will be based on Letter Points, removing as much director bias as possible from the process. ***In addition, each rehearsal attended will be added to the student's total letter points when determining awards above and beyond lettering (Sousa, National School Choral, etc.). This is to reward those that consistently attend rehearsals.*** Students performing solos/small groups for Districts and Concerts will get preference when selecting for awards. Letter points will also be used to help determine Junior High awards as well.
